1. USDC and EURC are issued by regulated affiliates of Circle. A list of Circle's regulatory authorizations can be found at circle.com/legal/licenses

2. Circle Technology Services, LLC (CTS) is the operator of Circle Payments Network (CPN) and offers products and services to financial institutions that participate in CPN to facilitate their CPN access and integration. CPN connects participating financial institutions around the world, with CTS serving as the technology service provider to participating financial institutions. While CTS does not hold funds or manage accounts on behalf of customers, we enable the global ecosystem of participating financial institutions to connect directly with each other, communicate securely, and settle directly with each other. CTS is not a party to transactions between participating financial institutions facilitated by CPN who use CPN to execute transactions at their own risk. Use of CPN is subject to the CPN Rules and the CPN Participation Agreement between CTS and a participating financial institution.

3. Circle Wallets, Circle Contracts and Circle Vault are provided by Circle Technology Services, LLC ("CTS"). CTS is a software provider and does not provide regulated financial or advisory services. You are solely responsible for services you provide to users, including obtaining any necessary licenses or approvals and otherwise complying with applicable laws. For additional details, please see console.circle.com/legal/developer-terms for the Circle Developer terms of service.

4. Circle Mint and money transmission services are provided by Circle Internet Financial, LLC. Circle Internet Financial, LLC, NMLS # 1201441, is a licensed provider of money transmission services. A full list of Circle's licenses can be found at circle.com/legal/licenses. Circle is not a bank; Circle Mint is not a bank account, and any funds are not insured by the Federal Deposit Insurance Corporation, the Securities Investor Protection Corporation or by any US or foreign government agency, insurance fund, person or entity.

5. USYC is a digital asset token. Each USYC token serves as a digital representation of a share of the Hashnote International Short Duration Fund Ltd. (the "Fund"), a Cayman Islands registered mutual fund. The Fund has appointed Circle International Bermuda Limited ("CIBL"), a Bermuda Monetary Authority licensed digital asset business, as its token administrator, responsible for the management of USYC on behalf of the Fund. Shares of the Fund and USYC are only available to non-U.S. Persons, as defined under the Securities Act of 1933, as amended. Additional eligibility restrictions may apply. The information provided herein is solely for educational and informational purposes and should not be construed as an offer to sell or a solicitation of an offer to buy any security, financial instrument, or other product.

6. Arc is offered by Circle Technology Services, LLC ("CTS"). CTS is a software provider and does not provide regulated financial or advisory services.
